

## Instructions for using the Interactive Jeo-Birdy PowerPoint

- Open PowerPoint and run as “slide show from the beginning”.
- Use the cursor/mouse to choose the points/question that you want (i.e. – click on 100) –it will bring up the “Jeo-Birdy answer” (remember, it’s Jeopardy).
- Hit “Enter” key for the “question”.
- Each time you need to click on the right-hand bottom house icon to go “back to the board” for the next group to choose a point amount for a question and answer it.
